Hope everyone is safe and well. For our parents who are essential workers a big thank you 💖 for all you have done and continue to do. I cannot believe Summer is already upon us I know we are all ready for warm sunny weather. Let the summer fun begin!! We are looking forward to our outdoor play time with the opening of our deck. We ask that you provide a labeled sunhat and sunscreen for your child please apply the sunscreen on your child prior to coming to school we will re-apply during the day. Our theme for June is Summer

We will read theme related books, sing songs, and make simple art projects such as footprint flip flops, handprint crabs. The older babies will paint with brushes, paste tissue paper, use dot markers and chubby crayons to make various theme related art. We will also work on a great Father’s Day project.

Hopefully, we will be back in school to complete all these plans till then stay safe, healthy, happy and sane. 😊

Happy 1st Birthday
To all our June babies

Happy Father’s Day
To all our awesome dads
